Administration

Members of the Class of 1956

Congratulations on the completion of your high school experience. I sincerely trust that through your association with each other, with your teachers, and with other friends and neighbors, you have grown in understanding and knowledge, in the ability to get along with others, and in the desire to do something worthwhile. It is my hope that in the future you may be able to look back upon these years as the brightest and happiest of your life.

May the knowledge you have obtained guide you faithfully, with courage and hope, toward achievement of the best and most enduring treasures of life.

Sincerely,
MAX R. HAUKE

Reddy Salutes You Seniors ... and adds a thought or two!

"Congratulations, you graduates. You're moving up in the world. So, good luck in whatever's ahead.

"But say, before you leave, let's think a bit about the past few years. How about those favorite classes, friends and all the fun? Hasn't it been great!

"And you know what? It could only happen here. Yes, free, fine education is part of the good ole U.S.A.

"Don't forget it when you've become a solid citizen with a family and all. 'Cause you'll need to remember to beat the guys who'll want a change.
